

4 of 4: 2013 Mishaps; post flight analysis; it's YOUR decision!

Our three speakers will cover mission aviation mishaps and how technology can shine a spotlight on pilot error. We will also discuss what is a good and bad decision by a GA pilot.

Directions: Fly in: Park on the ramp west of the tower. Walk through the old terminal building and east along Rutter Avenue to Moody Aviation. Limited aircraft parking is also available on the Moody Aviation ramp. Drive: Take exit 286 from I-90. Turn north on Park Street, left on Rutter Ave. Moody Aviation will be on the right.
